

The Holy Cross Through the Ages:

What does it mean?

A presentation by Fr. Tom Pomeroy

We have crucifixes in our homes, in our Churches, and we even wear them around our necks. The Holy Cross has been the most important image of our faith. We see it in art, in our hymns and in our poetry.

THE CROSS MEANS SOMETHING!

This presentation will highlight how the crucifixion of Christ has been presented and what it means. It will help your prayer and your understanding of our faith.
