**Friday, September 7 - Sunday, September 9**

*The Beautiful Journey*

*Fonferek's Glen Park in Brown County – Day 2*

Break in your walking shoes and join us for a challenging, yet highly inspirational weekend. Think you can't walk 50 miles? You can! If you get tired or sore, hop in a support vehicle for a rest. (And we have a porta potty with us all the way!) Walk 1, 2 or all 3 days. Invite non-walking friends and family to join us in the evenings for our prayer gatherings. Rosaries and chaplets said throughout the days as we walk. Wear headsets and walk to your favorite music, or join small groups of walkers for prayer or discussion. You choose how you spend your pilgrimage. This is *your* journey, so let the Holy Spirit guide your steps.
