

Holy Cross CYO Players & Parents

Hello everyone! With the CYO Season once again here I wish to welcome all newcomers and returning players and parents!

CYO= Catholic Youth Organization. We do not discriminate against any religion; this program is open to all Kaukauna High School and Xavier High School students who wish to participate. We do lead in the Lord's Way. There is prayer. It is my personal goal to leave each student/athlete a better person because of this program.

We need to have **10 players** on each team. There are too many situations where we are forced to play with less than 5 players or forfeit games. This is a waste of time and money for everyone involved. Please continue to recruit additional players. **You must** contact Scott Buchinger by phone if you plan on having a team at Holy Cross CYO.

Each team must have **2 Parents** involved in the team practices and games. It is okay to have more and other adults to assist. But **2 parents** is a must.

Please see the STIGNATIUSKAUKAUNA.ORG website for all of the required forms and information. Click on "Athletics" then click on "CYO Basketball".

I will need to speak with the parents involved in the Teams. I will go over their responsibilities and what needs to happen to get gym practice times.

All coaches/responsible adults need to be Virtus Trained. This is a free class put on by the Green Bay Diocese. We have a league coaches meeting and Virtus Training set for **6:00pm November 26th, 2018 at Holy Cross**. This is not optional. You should expect the coaches meeting to last for approximately 30 minutes and the Virtus Training to last approximately 3 hours. If you are already Virtus Trained, you **need** only attend the Coaches Meeting.

Let's have another wonderful season!

Scott Buchinger
